Dear Parents,

“Greetings from IIS family”

This is to inform the parents of students using Own Transport for school. Please make sure that you drop your ward inside the school parking lane and not on the opposite side of the road as it is a huge risk to the child's safety. Also, during the pick-up time after school, please come and take your ward from inside the school's Own Transport waiting area. No child will be sent out without the assistance of parents. The MOE and CBSE has issued guidelines to schools on child's safety and security and parents are advised to ensure the same.

NOTE:

- The parents have to drop their wards by **7:25am**. Late reporting students will be send back.
- The OT parents have to pick up their wards by sharp **1:45pm** from the school premises.
- Strict Compliance will be appreciated.
