

IIS/CIR/079/2018-2019

28/11/2018

Dear Parents,

“Greetings from IIS Family”

Kindly be informed that we are conducting **ASSET Main Examination December 2018 for all the students from Grade III to IX**. This will be conducted during the school working hours as per the below schedule:

Date	Subject	Grade
4 th December 2018	English	Grade III to IX
5 th December 2018	Mathematics	Grade III to IX
6 th December 2018	Science	Grade III to IX

Note:

- Attendance is compulsory for all the students (Grade III to IX). The school needs to ensure 100% attendance.
- Revision Worksheet for the ASSET Main for the subject English, Mathematics and Science for Grade III to IX will be uploaded in the portal on 29th November 2018. The students are expected to practice the same during the holidays and parents' guidance and support is very much required in this regard.
- Department of English, Mathematics and Science have already started the students preparation, giving orientation and required training to understand the relevance of this assessment.
- ASSET training for students of Grade III to VIII for Science, Mathematics and English through Cyber Square is also in place. You can also visit www.iis.99lms.com for online tests. [Username: student registration number (example: 10052) and Password: 123456]
- Parents are also advised to visit this site for getting more information about the questions as per the ASSET Examination (<https://www.aqad.in/>).
- The results will be shared with the parents after the declaration of the ASSET results.

Expecting your full support and cooperation in this regard!!
